## **iFoundry Systems awarded Made for iPod license**

**SINGAPORE** – 14<sup>th</sup> June 2006 – iFoundry Systems, an Original Design Manufacturer, specializing in short range wireless technology, Consumer Audio Devices and internet appliance solutions announced that it has been awarded a Made for iPod license by Apple, Inc.

According to Hari Ramachandran, Managing Director of iFoundry Systems, “The Made for iPod license is highly coveted within the industry, and Apple has been very selective in its choice of licensees. We are delighted to have been granted the opportunity to leverage iFoundry’s flair in product design, to bring out innovative, high quality accessories for the iPod market.”

All products will be designed by iFoundry are manufactured by iFoundry Systems, through its existing network of qualified Contract Manufacturers with production facilities in Singapore, Malaysia, Indonesia and China.
